

GREAT LAKES CHAPTER INS

Dear Valued Representative,

We would like to invite you to join us for our fall educational seminar on Tuesday October 25th, 2011 at the VistaTech Conference Center at Schoolcraft College in Livonia, MI. The conference will begin at 7:30am for registration and will end at 5pm.

With our theme this year “Infusion Nurses: Superhero’s for Patient Care” We will offer 6 lectures on topics that should be of interest to our members as well as other clinicians. We have secured well credentialed speakers that are nationally recognized. (see attached agenda) We are targeting attendance of over 100 clinicians from various medical disciplines. Every year our vendor evaluations are returned with comments like: “Best show I’ve done all year”, Great turnout, with the people I need to see,” I appreciate the long breaks!”

The cost of a booth this year is \$265 which covers the cost of two representatives for breakfast, lunch and breaks. Additional reps will be \$25. Those representatives that are seeking to gain the CEU’s for the day will be charged an extra \$20 on top on their exhibit fee, to obtain their certificate. Additional financial support to sponsor meals, breaks, or handouts is detailed below. All additional support will be well recognized and is very much appreciated.

Our breaks, including vendor interaction time that includes two ½ hours breaks and a long lunch break. We will also have our annual silent auction at the completion of the conference. Please feel free to bring donations for the auction (perhaps gifts that were given to you that you’d rather not have!). If you would like to hold your own booth raffle, please feel free to do so.

This registration form for your booth with payment must be received no later than Tuesday October 4th. Checks should be made payable to the Great Lakes Chapter INS, (tax ID 38-2559021).
